

COLLEGE of
CHARLESTON
STUDENT HEALTH SERVICES

Notice to all Fall 2019 Incoming Students
Important Immunization Information!!
Act NOW to Prevent a Future Registration Hold

Who? Newly Enrolling Students for Fall 2019

What? 3 Required Immunizations:

- Tdap: within the last 10 years
- Quadrivalent Meningitis: first dose or booster at age 16 or after (Meningitis B vaccine not required)
- MMR: on or after first birthday and then a second dose at least 28 days later

Where? Send immunization record via:

USPS: Student Health Services

181 Calhoun Street

Charleston, SC 29401

Email: Healthservices@cofc.edu (PLEASE NOTE: Email is not secure. Send only proof of immunizations NOT health record)

Fax: 843.953.6377

When? Validated vaccination forms should be submitted prior to July 1, 2019.

On **October 25, 2019**, all students new to the College as of fall 2019, that are not in compliance with C of C immunization requirements will have a hold placed on their account, preventing registration for the following Spring 2020 semester. The registration hold will remain in place until Student Health Services has the validated form of required immunizations on file. Please note: 48 - 72 hours may be needed to evaluate immunization compliance after receipt of form.
